

# Epiphany 5:15

Every year for almost a decade of my work at St. John's, the youth have told me their favorite thing about our parish is their connection with older members of a loving and caring church family.

**During this Pandemic, those connections have faded.**

This program invites youth and an adult member of our church family to connect by phone once a week during the Epiphany Season (1/10-2/17) for 5-15 minutes at 5:15pm (or another time that works) to check in and pray.

- Partners will briefly share about their week and say a prayer together
- Prayers suggestions and other resources will be provided
- Joy will connect the partners and you will plan the times and dates that work best to call each other-PLEASE TEXT OR EMAIL ME ASAP IF YOU WISH TO PARTICIPATE - ALL MIDDLE SCHOOL-COLLEGE STUDENTS WELCOME!!! 919-229-9015
